REDHATCH DRIVE, EARLEY – CARRIAGEWAY WORKS

We wish to inform you that essential roadworks will shortly commence on Redhatch Drive. The works will include carriageway resurfacing and associated works. The works are being undertaken by Wokingham Borough Council as part of their on-going programme of major maintenance schemes. These Works are being managed and delivered through the Wokingham Highways Alliance which comprises Wokingham Borough Council, WSP and Balfour Beatty Living Places.

The works are scheduled to take place on Thursday 8th November 2018 for 4 days. (Weather permitting)

A road closure of Redhatch Drive between its junctions with Woodward Close and Beech Lane is required to allow the works to be carried out safely.

Working hours will be 9:30 to 16:00 hours.

During working hours please be aware that vehicular access will be limited at times and there will be some short periods of time where vehicles will have no access.

The appropriate Diversion Routes will be in place whilst the works are completed. Due to the nature of the works a further visit will be required to complete the raising of any manholes. Advance warning signs will be erected supplying the dates once confirmed

We apologise for any inconvenience these essential works may cause. Every effort will be made to keep disruption to a minimum.

If this is likely to cause a major difficulty or concern, or should you have any other queries, are disabled or have special needs, then please do not hesitate to contact myself on 0118 974 6000.

Yours sincerely,
