Future Commitments
<ul style="list-style-type: none"> • £20,000 – Meadow Park (ETC facility) play equipment • £15,000 - Agreed in principle to fund flood risk management scheme

Proposal 1. HIGHWAYS - Improved signs and wayfinding for pedestrians and cyclists to make full use of infrastructure for cycling and walking. Quickly identifies routes, destinations and places of interest. Project is scalable depending on design required. Feasibility to be undertaken with interested Town and Parishes. 100% Town Council funded.

Proposal 2. HIGHWAYS - Provision of new EV charge points to support uptake of Electric Vehicles. This will support the ambition to be net-zero carbon by 2030. Sites and exact details to be developed; project is scalable depending on funding available and subject to assessment of power availability in some areas. % funded by Town Council to be confirmed – Central Govt grants available to WBC. Cost estimated at c.£75k for 15 charging points.
