Safe and Well Visit

We offer free Safe and Well visits to Berkshire residents

» What is a Safe and Well Visit?

A Safe and Well Visit is a free service that we provide. Safe and Well visits are tailored to individual needs. Visits check fire safety in the home, plus health and wellbeing. If needed we will fit free smoke alarms in your home. A Safe and Well visit will be arranged at a convenient time for you.

» Eligibility for a Safe and Well Visit

To check if you're eligible for a free Safe and Well visit, please visit our website or scan the QR code
